**Journal - Office of Legislative Counsel**  
**Friday - 2 October 1964**

**Page 2**

4. (Unclassified - JSW) Talked with Mr. William Woodruff who is acting for Senator Milton Young in connection with a briefing of the Senator which he requested of the Director. Woodruff furnished me the itinerary and inquired if a meeting with the Senator at 1:30 on 9 October 1964 in Room 1223 New Senate Office Building, would be satisfactory since the Senator was anxious to have this before he left town and he wished to leave very soon. I stated this time would be satisfactory and necessary requests have gone to DD/P and DD/L.

50X1 5. ( ) General Corbin, Deputy Director of Air Force Legislative Liaison, called to advise that FAA, with the cooperation of the Air Force, is planning to run a series of sonic boom tests beginning 1 November at the Nevada atomic test center. The tests will be directed against structures and will include facts on paper. General Corbin indicated that his information is that these tests will go up to 30 pounds of pressure. In light of previous problems with Senator Cannon in this area, General Corbin plans to get further details and fill in the Senator well in advance of the actual tests.

6. (Unclassified - JSW) General Carter and Mr. Warner went by the office of Representative Mendel Rivers and, in his absence, spoke to his Legislative Assistant Mr. Coyte White. It was indicated to Mr. White that the purpose of our visit was to express appreciation for the handling of our retirement bill by Mr. Rivers. Mr. White said he would certainly pass this word to Mr. Rivers.

50X1 50X1 7. (Unclassified - GLC) Called Mrs. Kiernan, in the office of Representative Bernard F. Grabowski, concerning her inquiry on the status of the application of ( ) I advised Mrs. Kiernan that ( ) was in process for a GS-4 Courier position and that he was so advised by letter on 22 September 1964. I emphasized, however, that this did not mean that a final commitment had been made for his employment, pointing out the additional medical, security and other processing involved.
